

Invitation to join the annual UK Rally 13th. of June 2020 in Løgumkloster, Denmark

Since 2001 an annual rally for cars of British make has been held in Løgumkloster, Denmark. In 2020 we continue this tradition by inviting owners, drivers or just fans of these cars to join us in Løgumkloster. If you are planning a drive for you club or register, or if you happen to spend your holidays in Denmark, why not let this event be the destination for the day.

The rally is held Saturday the 13th. of juni on the cozy market square in the heart of the small city of Løgumkloster only 15 km. north of the danish-german border. It's free to participate in the rally, and you can arrive already from 8 AM. In association with the local bakery, we offer a free morning coffee at 9 AM, and throughout the day, there will

ENGLÆNDERTRÆF

be plenty of options to buy food on the square as well in no less than 5 restaurants or pizzerias just across the street.

In conjunction with the UK-rally the shops of the city arrange a market day with stands and live musical entertainment.

Friday evening event

If you prefer to stay for a night or longer in Løgumkloster, we also arrange a casual supper and a guided leisureful drive in the late afternoon and evening of Friday the 12th. for only 160,- DKK. The supper is this year arranged on the Central Hotel just across the street from the market square.

The destination for evening drive is always a secret for the participants, but as ever it is following leisureful routes in scenic landscapes either in the hilly eastern part of Sønderjylland or in the marsh of the western part of Sønderjylland (world heritage).

A day on your own...

This rally is really without any stress, no tests, competitions, concours, scrutineering or what ever, it's pure relaxation, coffee, beer, vehicles, toasts, paper reading, book reading, chats with friends - simply cozy.

It's easy to fall in love with Løgumkloster, as you also have the opportunity to enjoy both cultural

heritage and a wonderful nature in the surroundings of Løgumkloster. The 12th. century monastery of Løgumkloster just 2 minutes walk from the square is amongst the most beautiful Cistercian churches in Europe, and just 300 metres across the meadow you can have a leisureful walk in the woods of Løgumkloster - so why not be there ?

Attendance booking and accommodation

You can decide to show up without registering your attendance, but as we offer free morning coffee and hand out free event mugs to registered attendees we recommend to register your attendance via our website at: www.englaendertraef.dk. You can book for both the free Saturday event and the Friday casual supper (160,- DKK) and drive

event in the same booking sequence. Just follow the instructions on the booking site.

Yours Sincerely
On behalf of the "Englændertræf i Løgumkloster" event coordinator group.
